## **Summer Dance Camps at The Dance Factory**

Does your child love music, dance, arts or crafts? Are you looking for a summer camp that will entertain and inspire? Maybe you are looking for a camp that is creative and fun. Well look no further... ***The Dance Factory has a camp for you!***

Back by popular demand is the ***Make Your Own Music Video Camp*** for dancers entering the 1st grade and up. Dancers are grouped by age and dance experience. Dancers will have the opportunity to make and star in their own music video. They will pick their own music, costumes and special effects. The dancers will use their own choreography as well as choreography taught by the teacher. Each dancer receives a DVD of their music video at the end of camp week.

For the 4 to 6 year old dancer, we offer a ***Summer Arts Festival Camp***. Each camp day has a special theme and will include tap, ballet, creative movement as well as arts & crafts. Your little girl will enjoy dressing up as a princess or a rock star. On beach day the girls dress in bathing suits and enjoy beach balls and bubbles. On the last day

of camp parents are invited to class to watch a performance the girls have worked on during the week.

For our older girls we will offer specialty dance programs and classes with a ***Guest Artist Series*** that will focus on improving skills and techniques. "We are very excited about our Summer Camp programs this year" said Kelly Markowski. "Our camps are designed to be creative, energetic, fun and entertaining for everyone!
